

Dear Kilittasi Community

As the rain pours down outside, we can't help but feel like the weather is studying for exams too, cloudy, unpredictable, and occasionally breaking into a full downpour of stress! Next week is Exam Week, so as we prepare for a week of sharpened pencils and a whole lot of last-minute reviewing, let's take a look at the highlights of our week.

Parent-Teacher Meeting

We will be holding our **Parent-Teacher Meeting on Saturday, March 22, from 09:00 to 16:00**

- **KG and Primary Teachers scheduled an appointment with each parent.**
- **Grade 5 and 6 parents will be at school from 9 AM to 12 PM**
- **Grade 7,8 and 9 parents will be at school from 1 PM to 4 PM**
- **High school parents will come from 1 PM to 4 PM**
- **Those who have more than one child can come according to their appointment**

Your participation in this meeting is crucial for closely following your child's academic and social development.

Report Cards

Grade 1 to 11 report cards will be distributed on Friday, April 11. We encourage all students to be present on this day, as report cards provide key insights into their progress. (Grade 12 students will receive their midterm report cards via email and in person toward the end of April.)

Francophone Day – Special Guests from the Canadian Embassy

We were honored to welcome distinguished guests from the Canadian Embassy, Mrs. Victoria Hardy and Vefa Atag, to our Francophone Day celebration! They were thoroughly impressed by our students' proficiency in French, particularly the Grade 5 French Prep Class. From beautifully performed French songs to a captivating play, our students confidently showcased their language skills. To top off the experience, our guests enjoyed fresh, warm croissants with us, adding a special touch to the day. A huge bravo to our students and teachers for making this event a memorable success!

If you haven't seen it yet, be sure to watch the video of the event to witness the magic of our students' performances! Please watch this video to witness the French language development of the 5th-grade students before the end of the year.

PI Day

We celebrated Pi Day last week, but we displayed student work and posters this week to showcase the significance of π across various disciplines. Their work was exhibited around the school, allowing everyone to appreciate their mathematical creativity.

Final Day for Early Registration, Thank you! for Your Support!

Tomorrow, March 22, 2025, at 4:00 PM is the last day to take advantage of the early registration discount. Thank you so much for your interest in renewing the registration. Being together in better days, witnessing your children grow, and touching their lives always makes us feel more responsible and excited.

KIS Early Registration Opening

Early registration for Keystone International Schools will open on Monday, March 24, and will remain open until April 18, 2025. This period offers a special discounted rate for early applicants. The registration process will begin with an official letter sent to you today at 5:00 PM, providing all general information and pricing details. We look forward to continuing this journey together next year!

Have a great weekend!

Some memories from our annual Francophone Day.

Have a great weekend!
