

Dear Keystone & Kilittasi Community,

This has been a busy yet productive week at our school. The WASC visit was completed as of Thursday. The accreditation process is a thorough evaluation of our school's academic quality based on international standards. While it was occasionally challenging, it gave us a valuable opportunity to clearly see both our strengths and areas for growth. We now look forward to receiving the final report with excitement.

Keystone Olympics

This week, in honour of 19 Mayıs Atatürk'ü Anma, Gençlik ve Spor Bayramı, our students took part in the Keystone Olympics, a joyful celebration of youth, unity, and sportsmanship. Students across all grades competed in various fun games and challenges, showcasing their physical skills, team spirit, and enthusiasm.

This special day commemorating Mustafa Kemal Atatürk's dedication to youth and sports allowed our students to connect with this national legacy in an engaging and meaningful way. Thank you to all the teachers and staff who helped organize this spirited event!
